KC MAN INDICTED FOR POSSESSION, INTENT TO DISTRIBUTE CRACK COCAINE

KANSAS CITY, Mo. – Todd P. Graves, United States Attorney for the Western District of Missouri, announced that a Kansas City, Mo., man was indicted by a federal grand jury today for possession with intent to distribute crack cocaine.

Carl E. McKenzie, 22, of Kansas City, was charged in an indictment returned by a federal grand jury in Kansas City.

The federal indictment alleges that **McKenzie** possessed with intent to distribute five grams or more of crack cocaine on Feb. 5, 2004. In a notice of special findings, the indictment alleges that the specific amount of cocaine was at least 35 grams but not more than 50 grams.

Graves cautioned that the charge contained in the indictment is simply an accusation, and not evidence of guilt. Evidence supporting the charge must be presented to a federal trial jury, whose duty is to determine guilt or innocence.

This case is being prosecuted by Special Assistant U.S. Attorney Joseph M. Marquez. The case was investigated by the Kansas City, Mo., Police Department.
